INSTRUCTION MANUAL

Concrete Bird Bath

Read these instructions before use and keep them for future reference.

Product overview

A concrete bird bath for outdoor bird bathing or indoor decorative use. Available in two sizes.

Size	Height	Width
Small	57 cm	50 cm
Medium	80 cm	69 cm

Set-up and use

1. Unpack carefully and inspect the concrete for cracks or damage.

2. Choose a firm, level surface capable of supporting the filled bird bath. Ensure it cannot rock or tip.

3. For outdoor use, fill the bowl with fresh water. Keep the water shallow enough for birds to stand safely.

4. For indoor use, protect flooring and furniture from moisture and splashes. A compatible floating solar fountain may be used outdoors according to its own instructions.

Care and maintenance

• Replace water daily and remove leaves, droppings and debris regularly.

• Scrub with a soft brush and rinse thoroughly with clean water. Avoid harsh chemicals and abrasive cleaning tools.

• Empty the bowl before moving it or when freezing conditions are expected. Inspect regularly for damage.

> **! IMPORTANT – HEAVY CONCRETE**
> Use assistance when lifting or relocating the bird bath. Do not drag it, stand on it or allow children to climb on it. Empty the water before lifting.
